Equalities monitoring

It is important that the Citizens' Panel reflects the views of as many different groups of people as possible. In order to help us ensure that the panel is representative of the people of Bridgend County Borough and that the council complies with equalities legislation, we have included the following equalities monitoring questions.

The information you supply will be kept confidentially and will only be used for the purposes of equalities monitoring. Completion of these questions is not required as part of the questionnaire.
