

## EICH HEDDLU EICH ARIAN

### Cyflawni Mwy Gyda'n Gilydd tuag at Dde Cymru Mwy Diogel

De Cymru yw un o'r ardaloedd mwyaf diogel i fyw a gweithio ynddi yn y DU ond gwna'r pwysau dwys ar blismona a gwasanaethau eraill hi'n ofynnol i ystyried yn ofalus iawn pa lefel o dreth gyngor sy'n angenrheidiol er mwyn cynorthwyo ein cymunedau a mynd i'r afael â bygythiadau trosedd sy'n dod i'r amlwg.

Ar ôl i'r Comisiynydd gael ei ailethol ym mis Mai 2021, cafodd ei Gynllun yr Heddlu a Throseddu 2022-26 ei ddiwygio ac mae'n ymwneud â diogelu ein pobl, yn enwedig pobl sy'n agored i niwed, a gweithio hyd yn oed yn agosach gyda chymunedau lleol. Cafodd y cynllun ei lunio drwy gydweithio'n agos â'r Prif Gwnstabl ac mae'n nodi'r weledigaeth ar gyfer plismona yn Ne Cymru. Mae'n parhau i ddarparu pwyslais clir ar ymyrryd yn gynnar a chymryd camau prydlon a chadarnhaol. Mae'r Cynllun yn nodi sut y bydd Heddlu De Cymru yn ymateb i fygythiadau cynyddol, fel trais yn erbyn menywod, cam-drin domestig a thrais rhywiol, troseddau wedi'u galluogi gan y rhyngwrwyd, camfanteisio'n rhywiol ar blant a chamfanteisio ar y rheini sydd fwyaf agored i niwed.

Rydym yn croesawu'r cyhoeddiad diweddar o 20,000 o Swyddogion yr Heddlu newydd, ond ni fydd hyn yn gwneud iawn am nifer y swyddogion a gollwyd dros yr wyth mlynedd diwethaf.

Heblaw am y cyllid ar gyfer y swyddogion newydd, roedd Grant yr Heddlu ar gyfer 2022/23 yn setliad arian gwastad arall, heb ystyried chwyddiant na chostau eraill, a fydd yn gadael bwllch cyllido o £11.7 miliwn yn achos Heddlu De Cymru yn 2022/23. Mae'r grant cyfalaf bellach wedi dirwyn i ben yn llwyr. Roeddem yn arfer cael £3 miliwn y flwyddyn fel grant cyfalaf, ond mae'r gostyngiad olynol yn y grant hwn yn golygu bod yn rhaid cyllido'r holl wariant cyfalaf gan ddefnyddio cyllid refeniw mewnol yn llwyr. Rydym hefyd yn cael £2m y flwyddyn yn llai mewn perthynas â'r Ardoll Prentisiaethau a chostau hyfforddi cysylltiedig, o gymharu â heddluoedd yn Lloegr. O ystyried y setliad arian grant gwastad, mae'n rhaid i'r praesept gwmpasu'r bwllch hwn, ar ben y £56m o arbedion cronol y llwyddwyd i'w cyflawni ers 2010.

Y canlyniad yw cynnydd ym Mhraesept yr Heddlu – ond bydd cartrefi yn Ne Cymru yn parhau i dalu rhai o'r costau plismona isaf yng Nghymru, gyda chynnydd o £14.39 y flwyddyn (4.7c y diwrnod) ar gyfer eiddo Band D. Bydd y rhan fwyaf o bobl yn talu llawer llai. Mae Comisiynydd Heddlu a Throseddu De Cymru wedi pennu'r dreth gyngor ar £302.11, sy'n cyfrannu £152.1m tuag at y gyllideb o £346.3m ar gyfer gwasanaeth heddlu 24 awr, saith diwrnod yr wythnos.

Er gwaethaf yr heriau ariannol, rydym wedi gwella perfformiad yn gyson wrth i ni weithio tuag at sicrhau mai ni yw'r gorau o ran gwrandao ar anghenion pob un o'n cymunedau yn Ne Cymru a deall yr anghenion hynny. Mae ein perfformiad wedi cael ei gydnabod yn allanol gan Arolygiaeth Cwnstablaieth Ei Mawrhydi:

De Cymru sydd fwyaf gweladwy o blith y 43 o gwnstablaiethau ac mae yn y safle cyntaf o ran cyflawni'r canlyniadau cadarnhaol gorau yn y wlad ar gyfer trais gydag anaf ac ar gyfer cymryd camau yn erbyn troseddau rhywiol.

## YOUR POLICE YOUR MONEY

### Achieving More Together Towards a Safer South Wales

South Wales is one of the safest areas to live and work in the UK but the intense pressure on policing and other services makes it necessary to give very careful consideration to the level of council tax needed to support our communities and address emerging crime threats.

Following the Commissioner's re-election in May 2021, his Police and Crime Plan 2022-26 has been refreshed and is about protecting our people, particularly the vulnerable, and working ever more closely with local communities. The plan was produced in close co-operation with the Chief Constable and sets out the vision for policing in South Wales. It continues to provide a clear emphasis on early intervention and prompt, positive action. The Plan sets out how South Wales Police will respond to growing threats such as violence against women, domestic abuse and sexual violence, internet enabled crime, child sexual exploitation and the exploitation of those who are most vulnerable.

The recent announcement of 20,000 new Police Officers is welcome but this won't fully make up the numbers lost over the past eight years.

Apart from funds for the new officers, the Police Grant for 2022/23 was another flat cash settlement with no allowance for inflation or other cost pressures, which will leave a funding gap of £11.7m in South Wales Police's case in 2022/23. The capital grant has now been ceased completely. We used to receive £3m a year as a capital grant, yet the successive reduction of this grant means that all capital expenditure has to be financed entirely by internal revenue funds. We are also disadvantaged to the tune of £2m annually with respect to the Apprenticeship Levy and associated training costs, compared to Forces in England. Given the flat cash grant settlement, the precept has to cover this gap, on top of the £56m cumulative savings successfully delivered since 2010.

The result is an increase in the Police Precept – but households in South Wales will continue to pay among the lowest costs for policing in Wales with an increase of £14.39 a year (4.7p a day) for Band D properties. Most people will pay much less. The Police and Crime Commissioner for South Wales has set the council tax at £302.11, contributing £152.1m towards the £346.3m budget for a 24-hour, seven-days-a-week police service.

Despite the financial challenges, we have consistently improved performance as we work towards being the best at listening to and understanding the needs of all our communities in South Wales. Our performance has been externally recognized by HM Inspectorate of Constabulary:

South Wales has the best visibility across 43 constabularies, whilst it is ranked 1<sup>st</sup> in the country for positive outcome rates for violence with injury and 1<sup>st</sup> for taking action on sexual offences.
