

National Transport Plan

Bringing forward investment that will make the transport system in Wales work better to help tackle poverty, increase wellbeing and assist economic growth.

To be taken forward 2012-2015

- (Map ref: 1) Sustainable travel centres.
- (Map ref: 45) Continue our pilot traffic officer service, on the A55 and M4.
- (Map ref: 56) Y Gerallt Gymro Holyhead to Cardiff fast train service, and programme of continued improvements.
- (Map ref: 57) Enhancing capacity of the section of rail between Shrewsbury and Chester, via Wrexham.
- (Map ref: 60) A470 at Gelligemlyn.
- (Map ref: 61) A470 from Maes yr Helmau to Cross Foxes.
- (Map ref: 68) A470 and A483 through Builth Wells.
- (Map ref: 69) A487 from Caernarfon to Bontnewydd.
- (Map ref: 70) A483 in Newtown.
- (Map ref: 71) Develop the proposals identified for the A483 at Llandeilo.
- (Map ref: 74) Additional platforms at Pontypridd, Caerphilly and Barry.
- (Map ref: 75) Additional carriages to peak time services and new station at Energlyn.
- (Map ref: 76) Plans to introduce additional services on the lines from Pontypridd and Caerphilly to Cardiff.
- (Map ref: 77) Re-double railway line between Gowerton and Loughor.
- (Map ref: 80) Extend the half-hourly service from Maesteg to Cardiff and Brackla Station.
- (Map ref: 82) Complete the dualling of the A465 Heads of the Valleys road from Brynmawr to Tredegar and start from Gilwen to Brynmawr (by 2014), and complete the remaining sections from Dowlais Top to the A470, and from the A470 to Hirwaun (by 2020).
- (Map ref: 84) A477 from St Clears to Red Roses.
- (Map ref: 85) A40 from Llanddewi Velfry to Penblewin.
- (Map ref: 87) Safety improvements to A4226 Five Mile Lane.
- (Map ref: 90) Appraise feasibility of new station in Ebbw Vale town.
- (Map ref: 91) Package of measures to deal with resilience, safety and reliability issues on M4 around Newport.
- (Map ref: 93) Increase capacity of A55 across the Menai, including capacity for walkers and cyclists.
- (Map ref: 94) Address network issues on A55 roundabouts at Junctions 15 and 16.
- (Map ref: 95) Address transport issues on Wrexham, Chester, Deeside triangle.
- (Map ref: 96) Daytime hourly services between Aberystwyth and Shrewsbury.

To be delivered beyond 2015

- (Map ref: 62) A470 at Alltawr.
- (Map ref: 63) A470 from Pentrefelin to Bodnant West Lodge.
- (Map ref: 66) A470 at Rhayader.
- (Map ref: 67) A470 at Plas Maenan and Bodhyfryd.
- (Map ref: 73) Increase the capacity of the intra-Wales air service.
- (Map ref: 78) Additional half-hourly services on Vale of Glamorgan line, following Network Rail's Cardiff Area Resignalling scheme.
- (Map ref: 86) Route study on A4042 between Pontypool and Abergavenny.
- (Map ref: 87) Express bus service between Cardiff and Cardiff Airport.
- (Map ref: 94) Address network issues on A55 from Abergwyngregyn to Tai'r Meibion.
- (Map ref: 97) Re-evaluate business case for introducing additional services on Heart of Wales line.
- (Map ref: 98) Deliver interventions identified for the A458 from Buttington Cross to Wollaston Cross (working with DfT).

- Map reference numbers correspond to 2010 National Transport Plan reference numbers.
- Interventions not listed on this map have either been completed, or are ongoing policy interventions that do not have a geographical reference.
