

PUBLIC CONSULTATION PUBLIC SPACES PROTECTION ORDER CONTROL OF DOGS

The council is proposing to make a Public Spaces Protection Order (PSPO) to tackle dog fouling and other dog related issues. The majority of dog owners are responsible, clean up after their dogs and keep them under control. However, a small minority of dog owners create significant problems for their community by not cleaning up their dog's faeces or by keeping them under control. The PSPO can impose certain restrictions to help correct this irresponsible behaviour.

A previous PSPO was imposed in October 2017 which placed restrictions on the consumption of alcohol in Bridgend town centre, Caerau and Maesteg, Pencoed and Porthcawl. This PSPO was created in areas where Gating Orders and Designated Public Place Orders (DPPOs) had previously existed and these migrated to PSPOs under the Anti-social Behaviour, Crime and Policing Act 2014.

The Anti-social Behaviour, Crime and Policing Act 2014 came into force on the 14 October 2014. Under s.75 the Act made provision for DPPOs; Gating Orders and Dog Control Orders (where in existence) to remain valid for 3 years from the 14 October 2014 at which point, on the 14 October 2017, they were converted under the Act to PSPOs.

It is proposed that the council will introduce a further PSPO, potentially introducing prohibitions and requirements in relation to the control of dogs including: -

Proposal one: Dog Fouling – applicable to all public places in Bridgend county borough;

Proposal two: Removing faeces - a requirement that the person in charge of the dog must have bags or other suitable means of removing the faeces with them;

Proposal three: Dogs on leads by direction - applicable to all public places in Bridgend county borough;

The council, in making a PSPO, may specify the amount of fixed penalty fine payable in respect of any breach at no more than £100.

The definition of public space includes any place to which the public has access, on payment or otherwise, as of right or by virtue of express or implied permission. It does not include land that is privately owned. If you are unsure who the landowner is, you can contact the Land Registry.

An exemption may be included within the Order for people with a disability. The Order should also not apply to the normal activities of working dogs, such as those used by the emergency services.

To tackle the issue of dog fouling the council is introducing dog bag dispensing units in popular dog walking areas across the borough.

Do you agree with proposal one: To introduce the prohibition on dog fouling under the PSPO. If a dog defecates on land to which a relevant PSPO applies, and the person in charge of the dog fails to remove the faeces from the land, then they will be in breach of the PSPO which is a criminal offence. The fixed penalty fine payable in this instance will be £100.

Do you agree with proposal two: To introduce into the PSPO a condition that if a person in charge of a dog does not have appropriate bags or other suitable means of picking up and removing the faeces for proper disposal with them, this is a breach of the PSPO which is a criminal offence. The fixed penalty fine payable in this instance is proposed to be £100.

Note, proper disposal means either in a council street litter bin; or with the householders general household waste; or in a suitable compost vessel.
