Background

Bridgend County Borough Council and Welsh Government support some regional and local bus services by subsidising routes that are not commercially viable. These services operate on routes to enable residents who live along them to access employment, education, health care and social activities.

In 2018/19 a public consultation took place in which residents were asked their views about subsidised buses and the removal of £188k from some services. The outcome of this consultation was that the local authority would continue to fully subsidise three popular local bus routes for a further 12 months, at a cost of £50k:

- 51 Bridgend to Oaklands Road
- 803 Danygraig to Porthcawl
- 61 Nottage to Porthcawl

However funding for two fully subsidised routes was withdrawn:

- 52 Bridgend to Broadlands
- 73 Pyle to Fforddygyfraith.

The council also withdrew the subsidies it paid for four partly funded routes. The affected routes were:

- 81 Bridgend to Pen Y Fai via Brackla and Coity
- 68/69 Bridgend to Cefn Glas
- 63B Bridgend to Porthcawl
- 62 Bridgend to Pencoed.

This consultation follows a cabinet decision on the report submitted on 18 September 2018, which proposed to remove the remainder of bus subsidy as provided by the council for the financial year 2019/20, as part of the proposed savings within the councils Medium Term Financial Strategy (MTFS) for 2019-20 to 2022-23.

As a result of the cabinet decision, the bus services shown in the table below could be affected by this proposal:
